

2024 Ohio School-Based Health Alliance Annual Conference

School-Based Health Care: Healthy Kids Learn Better

Sponsorship

The Ohio Alliance invites you to participate as a 2024 Annual Conference Sponsor. The Conference will bring together hundreds of school-based health care partners from across the state for a day of connection and learning. Join us for this impactful full-day event in February 2024 during national School-Based Health Care Awareness month!

Ohio School-Based Health Alliance

The Ohio School-Based Health Alliance (“Ohio Alliance”) was founded in 2002 as Ohio’s only statewide organization created to advance and support the sustainability and expansion of school-based health care. Our mission is to improve access to comprehensive, integrated health services through school-based health care to advance equity and improve health and education outcomes for students, their families, and communities.

Mission To improve access to comprehensive, integrated health services through school-based health care to advance equity and improve health and education outcomes for students, their families, and communities.

Vision Building a future in which every student, family, and community has the equitable health services, supports, and systems they need to achieve optimal health and education outcomes.

Now, more than ever, a statewide, coordinated approach to expand, sustain and support school-based health care is critical. Building on its decades-long history of supporting school-based health care partners, the Ohio Alliance serves as the strategic voice, thought leader, resource center, and connecting entity on school-based health care in Ohio.

As an Annual Conference sponsor, you are supporting the Ohio Alliance’s work to strengthen Ohio’s school-based health infrastructure through advocacy, partnership, data collection, and capacity building. We are committed to outstanding stewardship of your contributions to advance our mission and collective vision to ensure Ohio’s children are healthy, ready to learn, and set up for future success.
