

2027 Ohio School-Based Health Care Conference: Healthy Kids Learn Better

Call for speakers

Thank you for your interest in presenting at the Ohio Alliance's 2027 Annual School-Based Health Care Conference!

The 2027 conference will bring together school-based health care partners from across the state for a day of connection and learning. This impactful full-day event will be held on **Thursday, February 4, 2027**, in Columbus, Ohio, in celebration of national School-Based Health Care Awareness Month.

The breakout sessions (workshop and panel) are open to presenters sharing projects, programs, tools, resources, research, best practices, and other initiatives for school-based health care partners and that can be applied in a school-based health care setting. Presenters should plan for a 1-hour time slot, including time for audience Q&A. Access the abstract submission form [here](#).

Session types

- 1) Workshop session: Up to two speakers
- 2) Panel: A moderator and 3-4 panelists.

Submission form requirements:

- 1) Submission title
- 2) Speaker information (name, credentials, job title, organization, email address, and phone number) for each speaker.
- 3) A brief biography for each speaker (*650 characters or less*).
- 4) A headshot for each speaker.
- 5) Completed disclosure of relevant financial relationships form for each speaker. This form is required for continuing education credits to be offered for the conference and can be found [here](#) and in the **submission form**.
- 6) 3-5 key words or phrases that best describe the topic of the presentation (e.g., social determinants of health, technology-based solutions, data, primary care, behavioral health, partnership, equity, etc.).
- 7) Presentation abstract (*650 characters or less*).
- 8) Three action-oriented learning objectives.

The submission deadline is **Friday, October 2, 2026, by 5 pm**. Email Rachael Schilling (rachael@osbha.com) with any questions. Selected presentations will be notified by the end of November.
